WHEREAS, it is to the mutual advantage of the parties to enter into this Lease.

NOW, THEREFORE, in consideration of the mutual undertakings, understandings, and agreements hereinafter set forth, the City and the Lessee agree as follows:

1. PREMISES. The City leases to the Lessee the land shown as Cropland Parcel No. 5-14, as shown on attached Exhibit "A" hereinafter referred to as the "Premises", consisting of approximately 134 tillable acres of land located in the City of Kenosha, County of Kenosha, and State of Wisconsin. Lessee has no right to exclusive possession of any portion of City's property. City will at all times have free access to and use of the leased land.

2. TERM. Subject to earlier termination as hereinafter provided, the term of this Lease is for the period of five (5) years, commencing on the 1st day of January, 2023, and ending on the 31st day of December, 2028. This Lease may further be terminated upon ten (10) days advance, written notice where there has been a material breach of the terms and conditions of this Lease. Upon termination of this Lease, by lapse of time or otherwise, Lessee must immediately surrender possession of the leased land to City in good condition. In the event Lessee holds over, City will be entitled to payment from Lessee of a hold over fee of \$500.00 per

month. Any holding over by Lessee shall be construed to be a tenancy from month to month.

3. CONSIDERATION. The Lessee will pay to the City annual rent of \_\_\_\_\_, said sum representing \_\_\_\_\_ per acre. The annual rent must be paid on or before January 1<sup>st</sup> of each year. Payment, in the form of a check or money order payable to the City of Kenosha must be mailed or delivered to the City Clerk/Treasurer at 625 52<sup>nd</sup> Street, Room 105, Kenosha, Wisconsin 53140 on or before the due date. Lessee must pay to City interest thereon at the rate of eighteen percent (18%) per annum from the date payment was due until full payment is made for any amount due and owing after termination of this Lease.

4. USE. The Lessee may use, or cause to be used, the Premises for planting, growing, and harvesting crops and not for any other purpose whatsoever; but, no portion of the Premises may be planted to mustard or similar crops that in the sole opinion of the City are liable to render the Premises weedy and unfit for agricultural purposes. The Lessee must take reasonable efforts to prevent noxious weeds from growing on the Premises. The Lessee must use prudence and care in transporting, storing, handling, and applying all fertilizers, pesticides, herbicides, and other chemicals, and to read and follow instructions on labels for the use of such materials in order to avoid injury or damages to persons or property on the Premises and on adjoining areas. Cultivation of the soil and production of crops on the leased land by Lessee must be done in a professional, sound and conservation oriented manner, and in accordance with any requirements imposed by the applicable Kenosha County Departments with authority, Wisconsin Department of Natural Resources, and the United States Department of Agriculture, and subject to directives of the Airport Director and/or the Air Traffic Controller. The Lessee must reasonably maintain the Premises to the extent that similar farmland is maintained within Kenosha County, though the Lessee is not obligated to improve the Premises beyond the state it was in at the inception of this Lease. Lessee agrees to adhere to the restrictions set forth in Exhibit B which are incorporated herein and made a part of this Lease. Lessee agrees to repair, at Lessee's expense, any damage attributable to Lessee, to City roads, walking paths, fencing, gate or other Airport facility.

If the City does not require a cover crop be planted or remain, the Lessee must plow under any crops or accompanying vegetation in areas planted by the Lessee prior to the expiration date of this Lease. Any action of the City which materially and substantially interferes with Lessee's ability to cultivate the soil and produce crops on the leased land may serve as grounds for termination of this Lease by Lessee.

Lessee shall not enroll the leased land in any federal, state, or local government program without the prior written consent of the City.

Nothing in this Lease may be construed to confer upon the Lessee any right to minerals underlying the Premises; the mineral rights are reserved by the City.

Lessee must observe and comply with all rules and regulations imposed by the Common Council, the City of Kenosha Airport Commission, and the Airport Director. This Lease is subject and subordinate to existing or future federal, state or local laws, codes, regulations, ordinances, rules and orders relative to the development, construction, operation, or maintenance of the Airport.

Lessee irrevocably submits itself to the original jurisdiction of the Kenosha Circuit Court, State of Wisconsin, with regard to any controversy arising out of, relating to, or in any way concerning this Lease. If any covenant, condition, provision, or term of this Lease is held to be invalid or unenforceable by a court of competent jurisdiction, the remaining covenants, conditions, provisions, and terms of this Lease are not affected thereby, but each covenant, condition, provision, or term of this Lease will be valid and in force to the fullest extent permitted by law. The waiver by a party of any breach or failure of the other party to perform any covenant or obligation contained in this Lease does not constitute a waiver of any subsequent breach.

7. ASSIGNMENT, SUBLEASING. The Lessee may not (a) sublease or assign this Lease; (b) sublet the Premises or any part thereof; or (c) grant any interest, privilege or license

whatsoever in connection with this Lease without the express, written, advance approval of the City.

8. FITNESS. The City does not guarantee the Premises as being fit for the uses herein permitted. The City will not be responsible for any interruption in the use or enjoyment of the Premises, from any source not caused or occasioned by the City, and such interruption, if any, will not terminate this Lease.

9. SANITATION. The Lessee may not permit any unattractive or unsanitary accumulation of trash, debris or litter upon the Premises.

10. INDEMNITY AND HOLD HARMLESS. The Lessee does hereby agree that the Lessee will, at all times during the term of this Lease, indemnify and hold harmless the City and its officers, employees and agents, against any and all liability, loss, charges, damages, costs, expenses or attorneys' fees which they may hereafter sustain, incur or be required to pay as a result of the willful or negligent act or omission of the Lessee, or its invitees, or resulting from the Lessee's failure to perform or observe any of the terms, covenants and conditions of this Lease to be performed by the Lessee, or resulting from any conditions of the Premises, by reason of which any person or party may suffer personal injury, death or property loss or damage.

Further the City, Kenosha Water Utility and their agents, officers, employees, contractors or any other person or entity for which they may be legally responsible will not be responsible for any crop or soil damage that occurs during the conduct of any maintenance, survey, soil work or ingress and egress to other portions of the Airport during the term of the Lease. City agrees to make every reasonable effort to notify Lessee in advance should any such work become necessary.

12. INSURANCE. The Lessee will procure and maintain during the term of this Lease, a public liability insurance policy with the City named as an additional insured in order to protect the City and the Lessee. The policy must also contain (a) an endorsement for contractual liability coverage for the protection of the parties hereto under the Indemnity and Hold Harmless provision of this Lease and (b) be primary and non-contributory. Said policy must be issued by an insurance company or companies authorized to do business in the State of Wisconsin and licensed by the Wisconsin Office of the Commissioner of Insurance. The Lessee, within thirty (30) days after execution of this Lease, must furnish a Certificate of Insurance indicating compliance with the foregoing to the City Attorney for approval. The insurance policy or policies must contain a clause that in the event that any policy issued is canceled for any reason, or any material changes are made therein, the Airport Director will be notified, in writing, by the insurer at least twenty (20) days before any cancellation or change takes effect. If

the Lessee does not furnish a Certificate of Insurance within thirty (30) days after execution of this Lease, this Lease is void. If the insurance coverage required herein lapses, the Lease becomes void as of the date no valid approved insurance policy is in effect. The Lessee is not responsible for insuring the repair or replacement cost of any buildings or structures which may be upon the Premises.

13. EARLY TERMINATION BY THE CITY FOR AIRPORT DEVELOPMENT. In the event the City requires all or a part of the Premises for any Airport development purpose including, but not limited to, the installation of solar panels the City may terminate this Lease with respect to the portion of the Premises required for development, upon providing the Lessee with a minimum of thirty (30) days advance, written notice. Upon receipt of said notice, the Lessee may not plant any crop or engage in any farming activity which would increase the City's cost of Lease termination. The Lessee will be entitled to reasonable compensation for the cost incurred in planting crops upon the Premises subject to such notice of termination where crops were planted prior to the receipt by the Lessee of notice of Lease termination, but the Lessee will not be entitled to any loss of profit. Within thirty (30) days of the effective date of Lease termination, in whole or in part, the City will provide the Lessee with an equitable adjustment in Lease consideration.
