

AUTOMATED WASTE COLLECTION

New! July/August 2020
Cart Roll Out

One trash cart & one recycling cart for residents at no cost!

WHAT:

The new system eliminates manual labor through the usage of an automated waste truck with an attached robotic arm that will pick up the carts to empty trash and recycling. Residents can simply fill their cart with trash and recycling, store it away, and easily roll it out on their specific pickup day. If the cart does not need to be emptied, feel free to keep it until next collection.

WHEN:

July/August 2020

HOW:

Residents will receive an informational guide, two no-cost carts (one for trash and another for recycling), directions, and the exact week of their rollout. Carts shall be placed curbside with the wheels facing towards the house. Carts must be accessible to the trucks for the collection process.

BENEFITS OF THE NEW SYSTEM:

- Cleaner and healthier environment for residents
- Easier for residents - no need to buy cans, adds privacy and improved convenience
- Creates uniform, professional look within the city
- Worker safety and worker satisfaction
- Job interchangeability and job opportunities
- Recycling diversion rate increases
- Overall aesthetically pleasing community

- 1** Large wheels make it easy for the resident to move and to roll the cart in all conditions and surfaces
- 2** Weather and Animal Resistant - the cart can withstand up to 44 MPH winds
- 3** Hinged lids keep waste enclosed and prevents lids from being lost
- 4** Residents can use the handle for full control and easy maneuvering of the cart
- 5** The 95 gallon sized cart is designed to save floor space as well as hold maximum capacity
29.2" W x 33.3" D x 43.5" H
approx. eight 13 gallon trash bags

OLD

NEW

**Bagged Trash
in Roll Out Cart**

**Loose Recycling
in Roll Out Cart**

**Waste Collector physically
picks up each bag and tosses
it into the truck**

**Robotic arm automatically picks
up each cart and empties it
directly into the truck**

HAVE A GENERAL CONCERN OR QUESTION?

Text or Call: 262-358-6511

Email: waste@kenosha.org

HAVE A SPECIFIC CONCERN OR QUESTION?

Call Public Works: 262-653-4050

Email: waste@kenosha.org

WHAT IS STAYING THE SAME?

- Resident's "trash day" will remain the same
- A/B recycling collection will remain the same
- Elderly/handicapped collection will remain the same
- Bulk pick up will remain the same
- Additional waste services will remain the same
- Cart still must be put out by 6:00AM on the day of collection
