

Public notice: Fire hydrant flushing

FOR IMMEDIATE RELEASE  
May 3, 2023

For further information contact:  
Kenosha Water Utility  
T: 262-653-4315

KENOSHA – For the benefit of public fire protection, the Kenosha Water Utility will be maintaining and flushing all fire hydrants in the area south of 60th Street and a limited number of hydrants north of 60th Street, between the lakefront and 156th Avenue.

Work will begin on or around May 8, 2023. Some customers may experience a short period of cloudy or discolored water. Open the lowest faucet in the house for 5 Minutes to clear the water.

If you have any questions, call the Kenosha Water Utility at: 262-653-4315.
