Commander

The mission of the Kenosha Police Department is to serve all people with respect, fairness, and compassion. We are committed to preserving peace, order, and safety; enforcing laws and ordinances; and safeguarding constitutional rights.

On behalf of all the employees at the Kenosha Police Department, I am honored to present the 2015 Annual Report. I want to extend my well wishes to the community. I hope you found happiness and health in your lives this past year. Last year, 129 law enforcement officers died in the line of duty. This is a constant reminder of the dangers law enforcement professionals face every day protecting their communities. On behalf of our staff, we are both honored and privileged to serve the City of Kenosha. The staff at the KPD is well trained, professional, and takes great pride in providing a level of police service that makes other communities and police departments envious.

The annual report includes many statistics, but equally as important are the partnerships, programs, and relationships created or enhanced with community members this past year. It is the watchful eyes of our citizens that contributed to our overall success! As we look to 2016, I envision stronger community partnerships and an unwavering commitment to excellence. I trust you will find interesting and valuable information as you page through this year's Annual Report.

The ability of this department to have the flexibility to address crime issues head-on reflects on the dedication and commitment of each member of this department. Their commitment allowed us to ensure our crime-related services were met with challenging, innovative, and realistic goals. To Mayor Keith Bosman, City Administrator Frank Pacetti, and members of the City Council, thank you for your support over the past year and for your continued support of the police department as we put into action new concepts and objective approaches to meet the needs of our community.

It is vitally important that we learn how to address the multitude of calls we receive and to handle them in a safe manner that reduces injuries to the community and our police personnel. That's what we are here for - to protect and serve this community - and the members who have substance abuse problems, the homeless, and those that suffer from mental illness... they're part of our community, whether we want to acknowledge it or not, and they certainly deserve for us to serve them.

Calendar year 2015 witnessed progress in programs and services vital to the core commitments of every member of the Police Department, to prevent and fight crime, foster community engagement and build a culture of safety for all who live, work, play and visit the City of Kenosha. Overall, crime in the city decreased by 14 percent in 2015 compared to 2014, but as you will see in this report, the numbers tell us there is still work to be done. I invite you to look beyond the statistics in this report to find what is happening close to your homes, schools, and businesses.

It takes active, involved community members collaborating with police staff and volunteers to build a culture of safety. For many years, the Kenosha Rotary Club has supported the Kenosha Police Department in supporting the Rotary Safety Center, which houses Officer Friendly. Please see the information on the Kenosha Rotary Club, as they are our featured organization this year. The Department has enjoyed tremendous support from our many diverse communities over the years, but we can do better to improve opportunities to engage everyone, regardless of age, race, gender, sexual orientation, or national origin.

After 27 years with the Kenosha Police Department (33 years in law enforcement), I say farewell as I will be retiring on April 19, 2016. I owe a debt of gratitude to the 2007 Police & Fire Commission for having faith and confidence in my ability to lead the Kenosha Police Department. The privilege of serving as your police chief for the last 8 years has been a humbling experience. I have been honored to be part of a great organization.

"Alone we can't but together we can!" ~ Unknown

Respectfully,

Chief John W. Morrissey

Significant Events

Officer Involved Shooting – March 4, 2015 – At 1142 hours, officers responded to the 1500 block of 84th Street in reference to a 64-year old Kenosha man in a garage attempting to kill himself. Officers arrived and located the man in the garage armed with two knives. He ignored officers' commands to drop the knives and advanced toward the officers. To stop the threat to officers, Officer Torres fired one round at the subject striking him in the abdomen.

Officer Involved Shooting – March 14, 2015 – At 0932 hours, officers attempted to arrest Aaron Siler, a 26-year old Kenosha resident, on an active felony Probation and Parole warrant. Mr. Siler fled in a vehicle and led police on a short vehicle pursuit. He crashed the car and fled from the scene on foot. Officer Torres pursued Mr. Siler on foot and when confronted in a garage, Mr. Siler armed himself with a weapon. Officer Torres fired his handgun striking and killing Mr. Siler.

Homicide – September 12, 2015 – At 0315 hours, officers responded to the 5000 block of 33rd Avenue in reference to a death investigation. On arrival, officers found two young children deceased in a bed and their mother, Lucia Hernandez Alvarez, 34-years old, with self-inflicted injuries. Ms. Hernandez Alvarez is accused of drugging and killing her two children. She was treated at a local hospital and is currently in jail awaiting trial on two charges of 1st Degree Intentional Homicide.

Attempted Armed Abduction – October 22, 2015 – At 1643 hours, officers responded to the area of 50th Street and 16th Avenue in reference to an armed abduction attempt of a 52-year old Kenosha woman. The victim reported that a vehicle pulled next to her as she walked on the sidewalk. The lone occupant asked for directions and then pointed a pistol at her while telling her to get into the car. The victim ran from the vehicle, and the suspect drove away.

At 1925 hours on the same date, officers responded to the 400 block of 44th Street in reference to another abduction attempt, this time involving a 14-year old Kenosha girl. The girl reported walking past a vehicle and a suspect similar to the earlier abduction attempt. This time, the suspect was outside of his car and asked for directions. As the girl got closer to him, he produced a pistol and attempted to force the girl into his car. The girl pushed the gun away, kicked the suspect and ran away yelling for help. With the help of video from a local business, officers were able to identify the suspect in both of the incidents as Leroy E. Johnson, a 61-year old Kenosha resident. He is currently in jail awaiting trial.

Homicide – November 10, 2015 – At 1925 hours, officers responded to St. James Manor, located at 910-59th Street in reference to a stabbing. On arrival, officers located two victims, a 56-year old man and a 47-year old female, suffering from multiple stab wounds. Officers also located the suspect, Marcel Kudzin, 65-years old. It was reported that Mr. Kudzin stabbed the woman after an argument; the 56-year old man intervened and was stabbed 27 times. The woman was treated and recovered from her injuries, and the man died at the hospital. Mr. Kudzin is in jail and awaiting trial on charges of 1st Degree Intentional Homicide and Attempted 1st Degree Intentional Homicide.

Kenosha Rotary Club

Nearly a Century of "Service Above Self" in Kenosha & Around the World!

Rotary's Guiding Principles

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST: The development of acquaintance as an opportunity for service;
- SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

- THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four-Way Test – Of the things we think, say, or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill & better friendships?
4. Will it be beneficial to all concerned?

Kenosha Rotary Club's Impact

Since it's founding in 1921, the Kenosha Rotary Club has been actively implementing these guiding principles both locally and internationally. The Club's 60+ members implement the ideals of Rotary in their businesses, professions, and personal lives. Members bring their skills and strength to serve our community in a variety of ways.

From the Club's humble initial goal of sending 10 boys of meager means to YMCA summer camp to helping to fund the restoration of the Kemper Center, the Kenosha Rotary Club has raised over \$1,200,000 via club fundraising efforts. Through an annual grant process, every dollar raised has been directed back into worthy organizations and projects. The commitment of individual club member's time and generosity makes the Kenosha Rotary Club a shining example of Rotary's Avenues of Service – Club, Vocational, Community, International, and Youth.

Locally Funded/Supported Service Projects

- Building Rotary Tot Park at the Lakefront
- Cerebral Palsy Respite
- Establishment of the Rotary Safety Center
- Annual Thanksgiving Baskets through Kenosha Family & Aging Services
- Emergency Meal Delivery for Meals on Wheels
- Restoration of the Kemper Center/Griffin Observatory
- Salvation Army Bell Ringing
- Sponsor of the Annual KUSD Middle School Spelling Bee
- Joint funding of the YMCA Miracle Field
- Rotary/KUSD Vocational Awards
- Rotary/Taylor KUSD Scholarships
- Bookmobile Purchase

Internationally Funded/Supported Service Projects

- Rotary Books for the World
- Funding for an Orphanage in Zimbabwe
- Funding for Shelter Boxes for tsunami Victims in Haiti
- Rotarian Dental Services in Guatemala

Spotlight on the Rotary Safety Center

The Kenosha Rotary Safety Center, 5716 14th Avenue, is home to the Kenosha Police Department's Safety Education and Crime Prevention divisions. The Safety Center provides programs throughout the school year to public, private, and parochial school children in Kenosha. The Center encourages a positive relationship between students and the Police Department; promotes important safety values to elementary school classes; reduces the chance of children becoming victims of crimes; and promotes a safe environment around elementary schools. Additional support from the Kenosha Rotary Club has enabled the Safety Center staff to add a small theater to the facility for viewing safety films and studio facilities and equipment for producing new safety training videos and public service announcements. Over 560,000 local children have benefitted from programs at the facility to date.

In 2009, Mayor Keith Bosman and the City of Kenosha honored the Kenosha Rotary Club by renaming a portion of 14th Avenue in front of the Rotary Safety Center "Rotary Drive" for founding and continuing to support the Rotary Safety Center.
